MINISTRIES

## K O R E A

Christ to the World Ministries began its outreach in Korea sharing the gospel of Jesus Christ in 2004. We began with our broadcast partner, the Far East Broadcasting Corporation (FEBC), the translation and production of the radio drama series, *Persons Who Met Jesus* and *Easter and Christmas* radio drama special programs, and are preparing to produce a new program series: *The Life of Jesus Christ*. Each series is translated and produced in the Korean language from our FEBC-Seoul production studios. We believe many hundreds of thousands of listeners hear and understand the message of Jesus Christ each day through the effective and diverse programming of FEBC. Many individuals and families have come to know the one and only true God and accept Christ as Savior and Lord. It takes courage and is a walk of faith for many who come from a home where other family members are rooted in a different faith, many being Buddhist.

**The apostle John on the island of Patmos saw in his vision of heaven “a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and in front of the Lamb.”** Rev. 7:9

Our prayer is that many in Korea will come to know Christ through our broadcast ministry and be included in that great multitude.

**Country Profile:** South Korea is a country of over 46 million homogeneous people. We believe that in a country where literacy is nearly 99%, reaching everyday people by radio and a fast-growing Internet broadcast and pod cast of the radio drama stories of Jesus will yield great results. In a country so fast-paced, the opportunity to make a real impact in sharing the gospel is ever present and growing. Praise God for the Christian leaders and the unique and growing churches throughout South Korea. With an estimated 31% of the country being Christian, South Korea represents the largest percentage of Christians and Protestant churches per capita than any other Asian country, and has set the standard for Bible training, missionary training and outreach. Korean Christians are known for being passionate about prayer and commitment.

**GO AND MAKE DISCIPLES OF ALL NATIONS.**

Matt. 28:19

**Our Broadcast Partner:** We are blessed to partner with FEBC-Seoul that is the largest Christian broadcasting network in the country. Producing programs and broadcasting using FM, AM and Short Wave in selected cities throughout the country, the FEBC partnership with Christ to the World will result in reaching hundreds of thousands potential listeners through the radio dramas, Internet broadcasts and on the ground teaching and training from the diverse FEBC Christian programs.

### Prayer Needs:

- Pray that FEBC-Korea stations across the country will open their doors to produce and broadcast our programs.
- Pray for the correct translation and production of the radio drama series and Bible study guides, for the actors and the post-production studio requirements.
- Pray that non-Christian listeners will receive the much-anticipated broadcasts with open minds. Pray that they will understand the gospel message and that the Holy Spirit will open their hearts to accept Christ as Savior without fear of their neighbors or those within their own families.
- Pray for the freedom of the listeners in North Korea; and that their leaders will soften their hearts toward the everyday people who hear and accept the gospel.
